LESSON 15

Delicious!

Food, opinions and grammar

ELEMENTARY

Today’s agenda

01	**Warm-up**	Food memes and vocabulary
02	**New language**	Gerunds; countable and uncountable nouns
03	**Practice**	Opinions and food debates
04	**Homework**	Workbook practice

Food & memes

What is your favourite meme about food?

Разговор о еде помогает поддержать беседу даже с малознакомыми людьми.

Tell the group about your favourite meme.

Can you explain this meme?

Send your favourite memes to your teacher and share them with the group!

What is happening?

Can you explain this meme?

Describe the picture.

Why is it funny?

Use words about food.

Giving your opinion

Фразы для выражения мнения и вкусов

Opinion	Мнение
In my opinion, …	По моему мнению…
I think …	Я думаю…
I prefer …	Я предпочитаю…
I agree / I disagree	Я согласен / не согласен
Personally, I think …	Лично я думаю…
From my point of view, …	С моей точки зрения…

Different opinions

“I disagree.”

Одной фразы может быть мало.

Когда люди обсуждают разные точки зрения,
слишком прямой ответ может прозвучать резко.
Собеседник может неправильно вас понять
или обидеться.

Polite disagreement

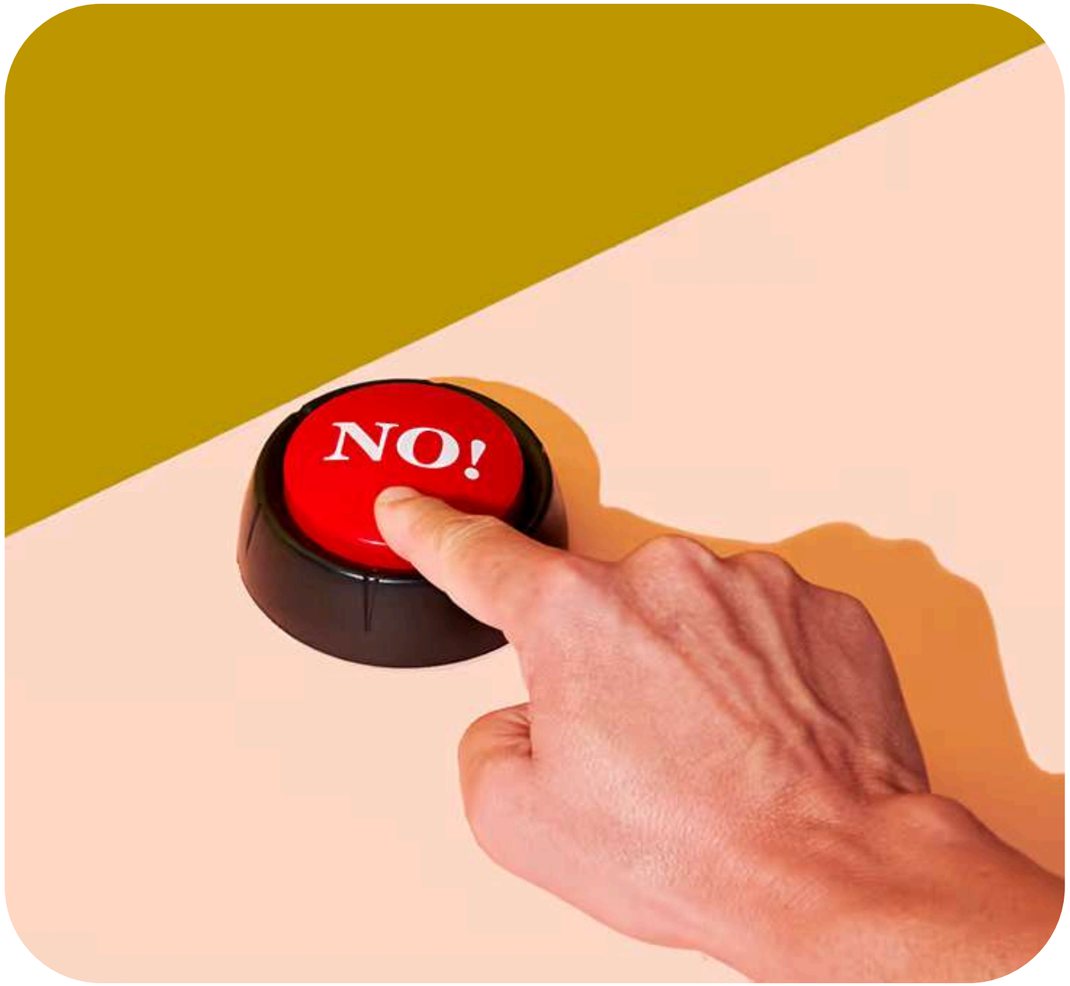

I’m sorry, but I disagree.
Простите, но я не согласен.

I’m afraid I cannot agree with you.
Боюсь, что не могу согласиться с вами.

Actually, I want to say that …
На самом деле я хочу сказать, что…

I don’t think so.
Я так не думаю.

Let’s agree to disagree.
Давайте останемся каждый при своём мнении.

Let’s start the debate!

Rules

01 Pick a side.

02 Defend your opinion.

03 Try using new words and phrases.

04 Be polite!

Food debate

Burgers are better than hot dogs.

YES

I agree because ...

NO

NO

I disagree because ...

Food debate

Fried eggs are better than scrambled eggs.

YES

I agree because ...

NO

I disagree because ...

Five o’clock tea

What do you know about the tradition of five o’clock tea?

5:00

Какая привычка, связанная с культурой еды и напитков, существует в Англии?

Workbook time

Open your workbook.
Let’s find out!

Cooking & eating

SpongeBob likes cooking.

Patrick likes eating.

Two verb forms

INFINITIVE

I want to become a president.

Я хочу стать президентом.

GERUND

I enjoy listening to music.

Мне нравится слушать музыку.
У герундия нет точного аналога в русском языке.

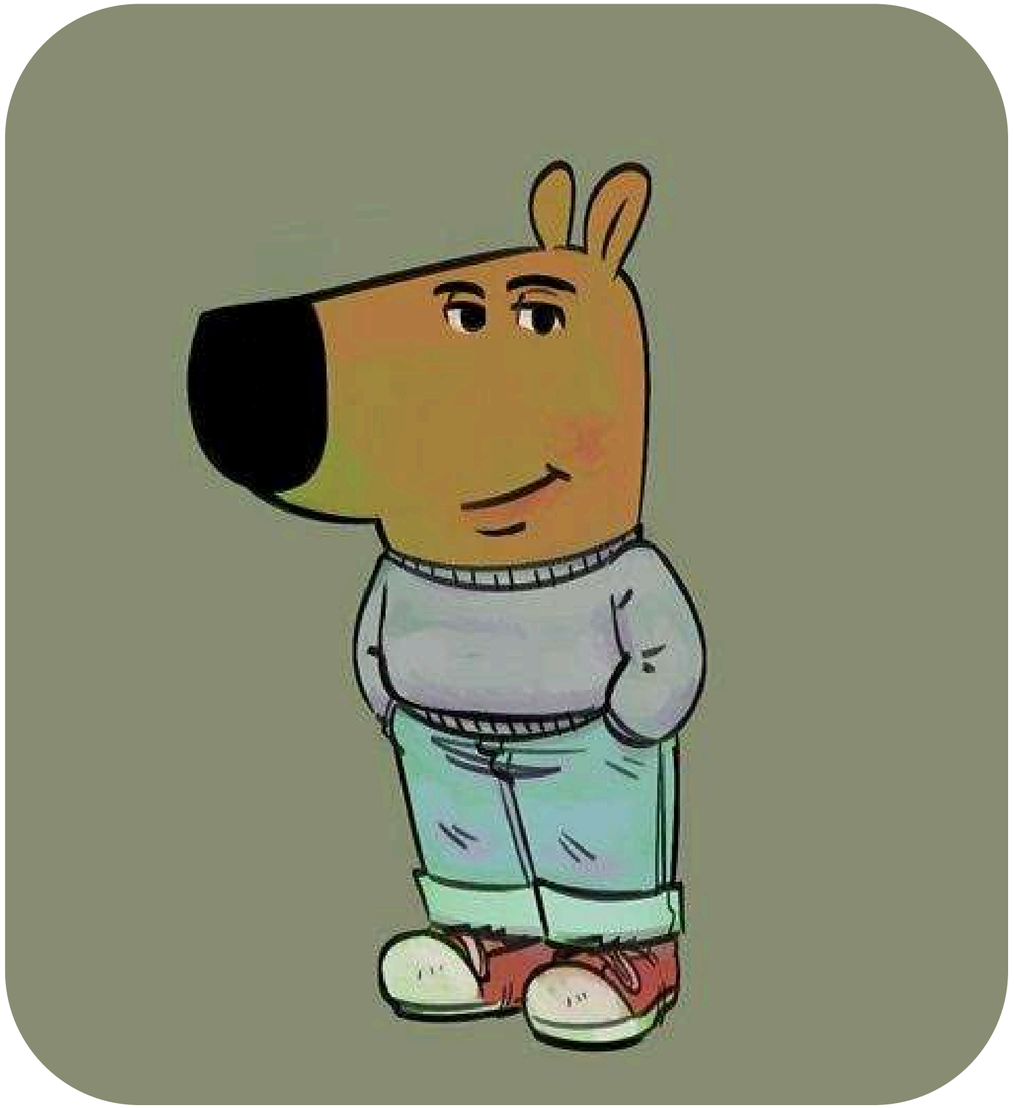

Infinitive & gerund

to + verb

Инфинитив — начальная форма глагола.
Он не изменяется по лицам и числам.
Частица to часто стоит перед глаголом.

to eat = есть

Правильно: Я люблю пить кофе.
Неправильно: Я люблю пью кофе.

Verbs followed by -ing

like	I like learning English.
enjoy	I enjoy drinking coffee in the morning.
hate	I hate going to the gym before work.
prefer	I prefer learning English at EasyTalk.
finish	I finished doing my homework. Now I can rest.
stop	I stopped hoping a long time ago.

English nouns

COUNTABLE

How many lemons?

Исчисляемые

UNCOUNTABLE

How much salt?

Неисчисляемые

Существительные делятся на две группы.
В английском и русском языках это деление может отличаться.

Countable nouns

Объекты, которые можно перечислить и посчитать.

pencil — pencils

table — tables

car — cars

Uncountable nouns

Нельзя посчитать по отдельным элементам.

water

information

salt

happiness

Types of uncountable nouns

Feelings	love, happiness, hate, fear
Abstract ideas	information, knowledge, time, advice, motivation
Liquids	water, wine, juice, beer
Powders & grains	rice, salt, flour

Singular verb forms

Неисчисляемые существительные согласуются с глаголом в единственном числе.

The water is clean.

Love isn’t easy.

This information is new to me.

Containers & measurements

water

a bottle of water

Само вещество не считаем поштучно.
Можно посчитать ёмкости, упаковки
или единицы измерения, например килограммы.

A bottle of ...

bottle — бутылка	**a bottle of wine**	бутылка вина
plate — тарелка, порция	**a plate of meat**	порция мяса
slice — ломоть	**a slice of bread**	ломтик хлеба
glass — стакан	**a glass of water**	стакан воды
cup — чашка	**a cup of coffee**	чашка кофе
kilo — килограмм	**a kilo of meat**	килограмм мяса
litre — литр	**a litre of water**	литр воды
piece — кусок	**a piece of bread**	кусок хлеба

Much & many

much

UNCOUNTABLE NOUNS

much water

much money

much bread

many

COUNTABLE NOUNS

many bottles of water

many bags of money

many pieces of bread

Great job!

Now let’s practise in the workbook.
