Reflexive pronouns

The subject and object refer to the same person.

She is looking at herself in the mirror.

She = herself

Reflexive pronoun forms

себя · себе · сам / сама / сами

Subject	Reflexive pronoun
I	myself
you	yourself / yourselves
she	herself
he	himself
it	itself
we	ourselves
they	themselves

You: one person → yourself; more than one → yourselves.

Reflexive pronouns in context

Friends
Друзья

Find the reflexive pronoun in the dialogue.

“myself” adds emphasis: I play the guitar too.

Subject, verb & reflexive pronoun

S + V + O

O = reflexive pronoun

I like myself

Are you enjoying yourself at the party?

He accidentally hit himself with a golf club.

Я чувствую себя плохо → I feel bad.
В этом значении не говорим “I feel myself”.

Reflexive pronouns after prepositions

OF	I am proud of myself.
AT	She is laughing at herself.
TO	He is talking to himself.
BY	Are you doing this by yourself?
WITH	I am happy with myself.

Create your own sentences with these prepositions.

Doing it yourself

Reflexive pronouns can emphasise the subject.

I am working on it myself.

We will get there ourselves.

She is doing it herself.

You do the dishes yourself!

DIY = Do It Yourself — «Сделай сам».
Например, сборка мебели IKEA.

Emphasising a person

Use a reflexive pronoun to emphasise a thing or a person.

I am having lunch with the president himself!

Nicole Kidman herself is at the party.

The teacher herself is saying that this is not OK.
